WHAT IS THE OPEN HOUSE?

Your ideas have shaped the draft Comprehensive Plan and we're excited to share the results with you. The Open House is a chance to see how community input has translated into a vision for Marshalltown. Learn about key elements of the plan and talk with the team about what it all means for your neighborhood and city.

WHAT IS A COMP PLAN?

A Comprehensive Plan (Comp Plan) is the community's long-term roadmap for growth, development, and quality of life.

It sets a shared vision for the next 10–20 years and guides decisions on housing, transportation, parks, land use, and sustainability, ensuring the city grows in line with our community's values and goals.
